# Religious Formation

## April Blessings

Of course, the highlight of April was Easter, but many blessings were upon our parishioners even before Easter. Our priests heard First Confessions from 80 of our young parishioners, as well as from many others in the RF program. Please hold the children in prayer who are preparing to receive Jesus for the first time in May. All are invited to witness this sacrament on the first three Saturdays in May. Thanks to those who assisted, especially the Confirmation Candidates, with the Easter Egg Hunt/Activities Event preparation. Unfortunately, the weather didn't cooperate and we had to cancel the scheduled and rescheduled event this year. Many children who were at the Sunday Easter Masses got to enjoy those filled eggs.

We should be pleased that our young parishioners and their families donated to others who are living their Christian lives in circumstances that are dangerous and somewhat inhumane, by returning the Mite Boxes during Lent, filled with money. I know some of the children truly came to understand how valuable it is to help our fellow Christians, and how we sometimes take for granted how blessed we are to live in a country that allows freedom of religion. Thanks to the Committee for Common Good to help teach our children the virtue of almsgiving.

# Parish Social Ministry

## Soup Supper

During Lent, we take an evening to enjoy each other's company at supper and thank God for all we have. Many parishioners bring soups they have prepared for this simple meal and we all settle to enjoy the evening's fare. The soups are wonderful!

If you have not ever attended a Soup Supper, or perhaps it has been a while since you last joined us, please keep this in mind for next year.

### Care for God's Creation

"Creation is not a property, which we can rule over at will; or, even less, is the property of only a few: Creation is a gift, it is a wonderful gift that God has given us, so that we care for it and we use it for the benefit of all, always with great respect and gratitude." Pope Francis, May 21, 2014

### Earth Day Celebrated – May 4

St. Rosalie's celebrates its eighth Earth Day on Saturday, May 4 as we gather in groups to remove trash and litter from our beautiful Hampton Bays. Once again, we look forward to making a significant difference in the gift of our landscape.

We will gather on the back porch of the Parish Center for bagels and coffee at 8:30 a.m. on May fourth and head out shortly thereafter. (Rain date is Sunday, May 5 at 1 p.m.)

This activity puts into action our moral and religious responsibility to care of the environment. Let us live out our gratitude for the gifts of the earth by engaging in continued actions, habits and public policies that preserve the fruitfulness of God's creation.

If you would like to help out, please stop by the sign-up tables at all Masses next week or fill out the form below and drop it off at the Parish Center. Thanks very much for being there!

## Catholic Elementary Schools and Tomorrow's Hope Foundation

The second collection next week is in support of Our Lady of the Hamptons School and the Tomorrow's Hope Foundation. Tomorrow's Hope provides tuition assistance to families with students who would like to attend a Catholic elementary school, but just need a little help to make that happen. The Foundation has provided almost 2 million dollars a year to offset tuition costs, but the actual student need approaches 6 million dollars.

Our Lady of the Hamptons School also benefits from your donation. Currently, tuition, parish subsidy and fundraising all help to balance the budget and we are grateful for your support. The money that you give to the second collection today will help us expand on the school's great academic performance and will assure that the school remains a place where students can learn and live their faith.

Sustaining Catholic education is vital to the future of our society and to our Church. Today's students are our future. They are truly tomorrow's hope. Thank you for all you do to support our children and our schools and thank you in advance for your generous donation next weekend.

## Stewardship Reflection

Today we hear the story of Doubting Thomas. Challenging and difficult things do happen in our lives and sometimes pull us away from our faith - and even trust - in God. Let us ask St. Thomas to pray for us to get through the tough patches in our lives, maybe even at this very moment. In doing so, our doubt can be diminished, and our faith enhanced so that with St. Thomas we can say, "My Lord and My God."

The DRVC School of Missionary Disciples is a two year process of personal, intellectual, spiritual and pastoral formation for adult Catholics that offers an exciting, integrated approach to discipleship through instruction, prayer, faith sharing and development of leadership skills.

To learn more, join our Information Session on **Friday, May 10, at 7 p.m.** at Immaculate Conception Church, Westhampton Beach. For more info contact Maria Barbieri 516-678-5800 ext. 540 or email [mbarbieri@drvc.org](mailto:mbarbieri@drvc.org).

## St. Vincent de Paul Society Reflection

In the Gospel today, Jesus stands in the midst of us and says: "Peace be with you!" Indeed, the mercy of God centers our heart in peace. In the month of April, through your gifts, the Society of St. Vincent de Paul was able to help the poor celebrate the peace of Easter.
