The Bus Ride is Free

The Educational Experience is Priceless

**The diocesan bus service connecting the east end with St. John the Baptist Diocesan High School makes Catholic secondary education a viable option for students from eastern Long Island.**

“Our goal with the bus lines was to continue to faithfully serve the Catholic communities on eastern LI,” said Superintendent of Schools for the Diocese of Rockville Centre Dr. Kathleen Walsh. “The buses allow us to continue to deliver the rich academic and spiritual Catholic high school experience that our Long Island families have grown to expect.” St. John the Baptist High School has a large and vibrant school and faith community, and is an outstanding facility. In addition to top-notch academic courses, the school offers a wide variety of sports, clubs and extracurricular activities. The bus lines went into operation this past September and have become a lifeline for some families. Parent Maureen Getchell from Mastic Beach, whose children Arik, who will be a Sophomore, and Nora, who will be a Freshman, ride the “Green Line” said, “The bus has been great. It made the difference that allowed us to send our children to Catholic high school once Mercy closed. We couldn’t do it without the bus.”

The bus service provides a morning pick up on each of three lines, and offers both a “dismissal bus” at 2:45, and a “late bus” at 5:30 to allow students from eastern LI to participate in clubs and activities. The buses are equipped with Wi-Fi to enable students to work, read, or simply use their mobile devices. The buses also have relaxed rules for eating; making the trip more comfortable and more productive for riders. Nancy Zanetti, whose children Justin, a sophomore, and Amanda, a senior use the “Red Line” buses said, “The service has been wonderful this year. Thank you to the Diocese for your efforts.”

## Stewardship Reflection

In today's Gospel, Jesus stresses the fact that life on Earth is fleeting and there is an Eternal Life afterwards. It is important to spend this lifetime becoming a better person and doing God's will, so that we may spend our Eternal Life in Heaven.

Living Stewardship, Pillar of Service: Focus on doing good for those in need. Many are hungry, tired, scared and in need of hearing the Good News. This is a good week to buy some cans of food for your local parish food pantry.

## St. Vincent de Paul Society Reflection

In the Gospel, Jesus tells the parable about the rich man who selfishly stored all his grain and goods only to die and not enjoy his abundance anyway. What we struggle all our lives to learn is that life does not consist of possessions nor our perceived security, but of being possessed by God.

This week, as you give your gift to the Society of St. Vincent de Paul you are realizing that in giving you indeed receive.

## Traveling Catholics

Mass Times was developed to help traveling Catholics worldwide find a nearby church with a schedule of religious services. The information is collected from dioceses and parishes throughout the world and made available via the internet at [www.masstimes.org](http://www.masstimes.org). Mass Times is a ministry of the Pauline Books and Media, operated by Mass Times Trust, in partnership with the USCCB and has the encouragement of the Vatican.

## Birthright

Father Maddaloni has graciously consented for Birthright to speak at all our Masses in both East Quogue and Hampton Bays this weekend August 3 and 4.

This is our annual appeal for donations. St. Rosalie has been extremely generous in the past and we hope our parishioners are able to continue again this year. Thank you for what you can comfortably give.
